Hymn 205 The day of resurrection

Welcome, Introduction and Collect for the day

Joy Gothard

Creator of the fruitful earth. You made us stewards of all things. Give us grateful hearts for all your goodness, and steadfast wills to use your bounty well, That the whole human family, Today and in generations to come, may with us give thanks for the riches of your creation. We ask this in the name of Jesus Christ the Lord. Amen.

Give me love in my life, keep me humble,
Keep me burning till the end of day**

Hymn

**EAT THIS BREAD AND NEVER HUNGER,
DRINK THIS CUP AND NEVER THIRST;
CHRIST INVITES US TO THE TABLE
WHERE THE LAST BECOME THE FIRST.**

Asking for a cup of water,
Jesus touched forbidden ground;
and the woman, with a question,
told the world what she had found. **EAT THIS BREAD**

Walking down a desert highway,
Jesus healed a man born blind;
soon the man became a witness
to the truth we seek and find. **EAT THIS BREAD**

DRINK THIS CUP AND NEVER THIRST;
CHRIST INVITES US TO THE TABLE
WHERE THE LAST BECOME THE FIRST.**

Thousands gathered in the desert (kjg)
Jesus leads a thankful song;
Bless and break and share what's ready
Daily bread for which we long. **EAT THIS BREAD**

Hymn 44 I believe in God Almighty

Prayers of the People, celebrating the ministry
of the Canadian Foodgrains Bank

Randy Patch

God stretches out the heavens
and shapes the earth.
Come and give thanks!

God raises up the mountains
and pours water into the seas.
Come and give thanks!

God calls forth plants from the soil
and forms animals in infinite variety.

Come and give thanks!

God breathes upon us
and fills us with life.

Come lift your voices in praise!

God gives our lives meaning
through laughter and tears.

Come lift your voices in praise!

God touches our hearts
through family and friends.

Come lift your voices in praise!

God loves us and blesses us
with everything good.

Come and worship!

God loves us and overwhelms us
with never-ending generosity.

Come and worship!

God loves us and surrounds us
with love in abundance!

Come and worship!

Climate Fund

WHAT YOU CAN DO ABOUT CLIMATE CHANGE AND HUNGER

A Canadian Foodgrains Bank Initiative

Each of us has a role to play in addressing climate change. With public support and actions from people across the country, Canadian Foodgrains Bank has successfully influenced policy decisions in the past, such as the untying of food aid and increasing aid for agriculture. We can do the same on the issue of climate change and hunger.

Public support plays an essential role in this, and you can be part of this in several ways:

- Join the Hunger Action Network—go to our website to sign up for this e-mail list to learn about specific actions you can take to address global hunger.
- Learn about climate change and hunger, spreading awareness to others in your church and community.
- Explore ways you or your church can show care for God’s creation.
- Write your MP to say you care about how climate change is affecting farmers around the world.
- Pray for our world, and for an end to hunger. Find worship resources at foodgrainsbank.ca.
- Give to the Canadian Foodgrains Bank Climate Fund, which supports projects that help small-scale farmers adapt to climate change. Visit www.foodgrainsbank.ca/get-involved/ to learn more about the Climate Fund.

Ending hunger requires many actions—supplying food in times of emergency or shortfall, providing support for agriculture, helping improve nutrition for families, and enabling small-scale farmers to adapt to climate change. Together, we can work to ensure sustained progress in the fight against hunger. Visit www.foodgrainsbank.ca/get-involved/ to get started!
