### **A POEM** shared by Dan Hines at the Celebration of Life for Christopher Seguin

*God, we have no idea where we are going. We do not see the road ahead of us. We cannot know for certain where it will end. Nor do we really know ourselves, and the fact that we think we are following your will does not mean that we are actually doing so . . . Therefore, we will trust you always though we may seem to be lost and in the shadow of death. We will not fear, for you are ever with us, and you will never leave us to face our perils alone.*
