

## **CHOIR**

### **PARISH MINISTRIES OF ST. PAUL'S CATHEDRAL**

The ministry of the choir is to provide an added spiritual emphasis through music and song. This would include leading the community in hymn singing, sung liturgy and providing music during communion. The choir is there for people to experience the work of God through the gift of music.

We have approximately 20 members and meet on Thursday evenings from 7:30 until 9:00 PM. The commitment would include Thursday rehearsals and Sunday mornings and any other special services the choir is requested to be a part of.

Some of the rewards would be the enjoyment of singing, being part of a musical family with a common interest to serve their Lord in such a special and meaningful way.

We are always looking for new members for all sections, including younger singers.
