Who is the real Jesus?

The real Jesus is the love of God that creates miracles of life in the world. He is the pain of God mingled with the pain of humanity. He is the hope of God that people manifest in the midst of despair. He is the eternal life of God that people live in spite of death.

Jesus is, lives, and becomes real when people, with unflagging faith in God, engage each other to bring about a new world out of the ruins of the old world. The real Jesus is the light of God's salvation that men, women, and children kindle in the darkness of hell. The real Jesus is the power of God's truth that people manifest in the face of the power of lies wielded by the powers and principalities of this world. Jesus is the story of such people. And being the story of such people, Jesus is the story of God.

C.S. Song - Jesus, The Crucified People (1990)

We gather today on the traditional territory of the Stk'emlupsemc te Secwepemc Nation. We acknowledge their care for and working of the land prior to contact with Europeans. As Canadian Anglicans, we continue to work toward healing and reconciliation and a new experience of sharing the land together.
