## ***Holy Eucharist in the Cathedral at 10 a.m.***

Welcome to St. Paul's Cathedral. Our worship service can be found in the green book in your pews beginning on **Page 185**. Hymns for the service are found in COMMON PRAISE or MORE VOICES in your pew. The receiving of Communion is open to any who feel drawn to Christ. It is Christ's table and we are all his guests. Know that you are welcome here and our delight is in your presence with us. Please join us in the parish hall for refreshments and lively conversation following the service.

## **Parish Outreach Ministries of St. Paul’s Cathedral – The Elizabeth Fry Society**

Elizabeth Fry Society has many programs under its umbrella, and they are very excited to have the first Family Stepping Stones Supportive Housing facility. It was identified as a strong need through a needs assessment consultancy with community members and agencies throughout Kamloops.

**What is Supportive Housing?** Supportive Housing is safe, affordable and appropriate long-term transitional housing for women and children. Supportive Housing clients enter a specialized program tailored to address their specific needs, whether it be addictions support, mental health services, parenting support or other life skills. The individualized programming is designed to provide the best possible care for each woman and their children and integrates the family into the existing network of services available in Kamloops. This type of housing allows women to maintain custody of their children while receiving the support they need to stabilize their lives. Their goal is that every woman who enters an E. Fry program will move on to successful, healthy, independent living for themselves and their children.

**The Growing Need** -There has been a growing need for women’s supportive housing since it was started in 2007.

**Where, When & How?** -The Kamloops and District Elizabeth Fry Society has purchased a six unit residential building to house the Supportive Housing and have had the Program running since early 2015. In order to address the increasing need today, they reduced the number of units they had initially hoped to offer to the community. The society would like to expand supportive housing in the future to better meet the needs of the community.

Donations in support of this program are welcome. E. Fry could not have come this far without the generous contributions from the community. The recipients of these programs are thankful for the continued community support. More information about E. Fry please see the Peace and Justice board in the church hall.
