

Simply Living

The 2018 Season of Creation at St. Paul's Cathedral
Your Anglican Cathedral in Kamloops BC

Simple Living means Living Simply– A special event

Premiere of a Photo-Arts creation by critically acclaimed landscape photographer Chris Harris with Rita Giesbrecht.

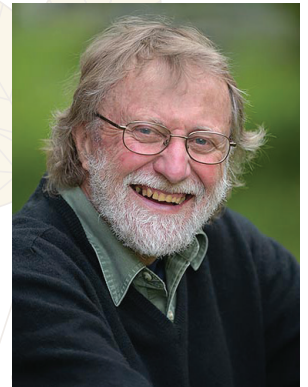

Tuesday, October 9, 2018, 7 pm – Refreshments at 6:30

Chris and Rita will present their core values as the blueprint on which they base their everyday life; and explore the notion that life's work, and life's pleasures and leisure, are not separate but a symbiotic relationship that creates richness and increase in every aspect of our lives together.

In the partnership of Chris Harris and Rita Giesbrecht, the commercial work of making images, publishing books, running a private gallery, along with the field trips to the back country of British Columbia to explore and capture that imagery, is not separate from the core values that define our days and our way of living. Everything they do in their business, and private life, is built on a personal mission to live life with appreciation, with passion, integrity and to uphold our highest vision.

We at St. Paul's are delighted the Chris and Rita have accepted a commission to produce a photo documentary on our 2018 Season of Creation theme: Simply Living.

TERRITORY
OF THE PEOPLE

We gather today on the traditional territory of the Tk'emlúps te Secwepemc – Kamloops & Area First Nation. We acknowledge their care for and working of the land prior to contact with Europeans. As Canadian Anglicans, we continue to work toward healing and reconciliation and a new experience of sharing the land together.
