### PWRDF

Help is desperately needed for people affected by severe flooding in Mozambique, Malawi and Zimbabwe

### **Cyclone relief – Government to double cyclone relief funds raised!!!!**

The Honourable Maryam Monsef, Minister of International Development and Minister for Women and Gender Equality, announced today the government will match donations to the Cyclone Idai joint appeal of the Humanitarian Coalition. PWRDF is participating in the match through Canadian Foodgrains Bank, a member of the Humanitarian Coalition.

The purpose of the match is to encourage Canadians to give generously to emergency relief efforts in Mozambique, Malawi and Zimbabwe.

Up to three million people there are in desperate need of humanitarian aid in the aftermath of Cyclone Idai. Hundreds of people have died and survivors have been displaced, creating vulnerable situations for children separated from their families, and women and girls in refugee camps. Severe flooding has damaged water systems leading to a lack of clean water and risk of cholera and other water-borne diseases. Roads, homes schools, and crops have been destroyed.
